

13304S - SINU PANATINA PROJECT- Loose Furniture Schedule & Requirements

No.	Type	DWF Ref	Product Image	Description	QTY	Unit Cost	Total Amount
1	Classroom Desk	AT900 CI		Dimension: 700W x 700D x750mm Material Description Desktop – High resistance particleboard Desk frame:Quality steel frame	20		
2	Classroom chairs	AT900 CI		Dimension: standard Material Description High resistance particleboard base and back. Chair frame: Quality steel frame (rust prevention treatment)	496		
3	Classroom high stool/chairs	AT900 CI		Dimension: 600mm W x 650mm D x 1075mm H, seat height: 775mm Material Description Polypropylene base and back. Desk frame; Metal plating lift chair frame, fix foot	24		
4	Demonstration Table	AT900 CI		Dimension: 1800x800x750mm Material Description Desktop – High resistance particleboard Desk frame: Quality steel frame	1		
5	Teacher's Table	AT900 CI		Dimension: 1400x700x740mm Material Description Desktop – High resistance particleboard Desk frame: Quality steel frame	15		
6	Teacher's / Staff Chair	AT900 CI		Dimension: standard Material Description S type backrest, elastic cushion base, Desk frame: seamless steel tube with nylon + glass fiber five star feet.	32		
7	Class room Desk	AT900 CI		Dimension: 1400x600x750mm Material Description Desktop – High resistance particleboard Desk frame: Quality steel frame, no wheels.	235		
8	Drawing Board	AT900 CI		Dimension: 900mm W x 600mm D x 750mm H, Material Description Polypropylene base and back. Desk frame: High quality steel frame, table top angle can be adjusted to 0-80 degrees	3		
9	Computer Chair	AT900 CI		Dimension: standard Material Description Linen fabric, wear-resistant, non-faded, tasteless Desk frame: High quality steel fiber five star feet.	17		

10	x-computer table	AT900 CI		Dimension: 5600x600x750mm Material Description Desktop – High resistance particleboard Desk frame:quality steel frame	1		
11	Y-Computer Table	AT900 CI		Dimension: 6400x600x750mm Material Description Desktop – High resistance particleboard Desk frame: quality steel frame	1		
12	Computer Table	AT900 CI		Dimension: 1400Wx600Dx750H Material Description Desktop – High resistance particleboard Desk frame: High quality steel frame through rust prevention treatment	1		
13	Studio Desk	AT900 CI		Dimension: 1500x800x750mm Material Description Desktop – High resistance particleboard Desk frame: Quality hardwood	2		
14	Studio Chair	AT900 CI		Dimension: standard Material Description S type backrest, elastic cushion base, Desk frame: seamless steel tube with nylon + glass fiber five star feet. Seamless steel tube with nylon feet 50R cold resistance wheels	2		
15	Sofa Set	AT900 CI		Dimension: 2 Seat (2no) 1400W x 730D x 450H Coffee Table, 1400W x 700D x 450H High density spring back foam + protective film Desk frame: High quality steel sofa rack.	5		
16	Break out chair	AT900 CI		Dimension: 830W x 560D X 800H. Material Description High quality chair. Chair frame: Quality steel frame (rust prevention treatment).	28		
17	Classroom desk (For three)	AT900 CI		Dimension: 2000x600x750mm Material Description Desktop – High resistance particleboard Desk frame: Quality steel frame, nop wheels	2		
18	Reception desk	AT902 CI		Dimension: 3000W X 2000D X 1050H Material Description Desk frame.	1		
19	Receptionist Chair	AT902 CI		Dimension: standard Material Description S type backrest, elastic cushion base, desk frame: Seamless steel tube with nylon feet 50R cold resistance wheels.	2		

20	Sofa Set	AT902 CI		Dimension: 2 Seat (2no) 1400W x 730D x 450H Coffee Table, 1400W x 700D x 450H High density spring back foam + protective film Desk frame: High quality steel sofa rack.	2		
21	Breakout / Visitor's chair	AT902 CI		Dimension: 800W x 560D x 800H. Material Description: High quality moulded chair Desk frame: High Quality Steel frame(rust prevention treatment)	28		
22	Screen staff partition	AT902 CI		Dimension: 1800x800x750mm Material Description Desktop – High resistance particleboard Desk frame: Quality steel frame	16		
23	Meeting Table	AT902 CI		Dimension: 2400D x 1200W x 750H material description: high moisture resistant particleboard desk frame: high quality steel frame.	1		
24	Meeting +Visitor Chair	AT902 CI		Dimension:Std. Material Description:Imported net cloth wear resistant type backrest, elastic cushion base. Chair Frame: High Quality Steel frame	22		
25	Side Table	AT902 CI		Dimension: 2400D x 1200W x 750H material description: high moisture resistant particleboard desk frame: high quality steel frame.	1		
26	Type A low cabinet	AT902 CI	 900W*400D*1200H	Dimension: 900D X 400W X 1200H material description: High moisture resistant particleboard. desk frame: high quality steel frame.	8		
27	Type B low cabinet	AT902 CI	 900W*400D*1200	Dimension: 900D X 400W X 1200D Material Description: High moisture resistant particleboard the carbinet to have 2 shelves with 350mm H	3		
28	Type C low carbinet	AT902 CI	 900W*400D*1000H	Dimension: 900d x 400w x 1000h Material Description: High moisture resistant particleboard The cabinet to have 2 shelves with 450mm H	5		

29	Double Desk	AT902 CI		Dimension: Double position 1800W x 38300D x 750H Material Description: High moisture resistant particleboard Desk frame: High Quality steel frame	1		
30	Dean's Desk	AT902 CI		Dimension: Main: 2600W x 900D x760H Side: 2200W x 500D x650H Material Description:High moisture resistant particleboard Desk frame: High Quality steel frame	1		
31	Office chair	AT902 CI		High moisture resistant particleboard Desk frame: Metal five star feet, strong and durable	1		
32	3 Seater Sofa	AT902 CI		2100W x885D x 760H Material Description: High moisture resistant particleboard Desk frame: High Quality steel frame	1		
33	1 Seater Sofa	AT902 CI		Dimension:Double position 1800W x830D x 750H Material Description: High moisture resistant particleboard Desk frame: High Quality steel frame	2		
34	Coffee Table	AT902 CI		Dimension: 1400W x700D x 450H Hwd and vanish finish	3		
35	Desk	AT902 CI		Dimension: Main: 1600W x 800D X750h Side: 1100W x 500D x 650H. Material Description: High Moisture resistant particleboard. Desk Frame: High Quality Steel Frame	9		

36	Chair	AT902 CI		Dimension: Standard. Material Description: S type backrest, elastic cushion base, Desk frame: Seamless steel tube with nylon + glass fiber five star feet	14		
37	Meeting Table	AT902 CI		Dimension: 5200W x 2000D X760H. Material Description: High Moisture resistant particleboard. Desk Frame: High Quality Steel Frame	1		
38	Meeting Chairs (around table)	AT902 CI		Dimension: Standard. Material Description: S type backrest, elastic cushion base, Desk frame: Seamless steel tube with nylon + glass fiber five star feet. Colour:Black backrest	15		
39	Side Chair	AT902 C1		Dimension:Std. Material Description:Imported net cloth wear resistant type backrest, elastic cushion base. Chair Frame: High Quality Steel frame	7		
40	Portal presentation lenc	AT902 CI		Dimension: 610W x 510D x 1143H Material Description: Durable laminate surface Desk frame: Black powder coated steel frame	2		
41	Leisure Table	AT902 CI		Dimension: Ø600 x 760H Material Description: High moisture resistant particleboard or similar	4		
42	Leisure Chair	AT902 CI		Dimension: Ø600 x 760H Material Description: High moisture resistant particleboard or similar	16		
43	Bar Chair	AT902 CI		Dimension: 600mm W x 650mm D x 1075H, seat height: 775mm Material Description Imported fabric to backrest and base. Chair frame: Solid wood frame	7		

44	HOD Desk	AT902 CI		Dimension: Main: 1600W x 800D x750H Side: 1100W x 500D x650H Material Description:High moisture resistant particleboard Desk frame:High Quality steel frame	5		
45	PC Desk	AT902 CI		Dimension:Main: 1600W x 800D x750H Side: 1100W x 500D x650H Material Description:High moisture resistantparticleboard Desk frame:High Quality steel frame	7		
46	Contemporary Lectern With sound / microphone	AL801 C0		Dimension: 650W x 500D x 1100H Material Description: medium oak/mahogany surface, Desk frame: Aluminum steel frame	1		
47	Round Spare Chair / Studio Stool	AL801 C0		Dimension: STD. Material Description: cushion on steel base, Chair frame: High Quality Steel frame	15		
48	Meeting Table for 24 participants	AL801 C0		Modular Configuration Tables. Dimension: 6800W x 3200D x 750H. Material Description: High moisture resistant particleboard. Desk frame: High Quality steel frame	1		
49	Side Meeting Table	AL801 C0		Dimension 1400 x 600 x 750. Material Description: High moisture resistant particle board. Table Frame: High quality steel frame	6		
50	Meeting Chair with wheels	AL801 C0		Dimension: Standard. Material Description: S type backrest. Elastic cushion base. Desk Frame: Seamless steel tube with nylon + glass fiber five star feet	24		
51	Side Meeting Chair	AL801 C0		Dimension:Std. Material Description:Imported cushion backrest, elastic cushion base. Desk Frame: High Quality Steel frame	45		

52	Screen	AL801 C0		Dimension: 1000W x 50D x 1800H Material Description; Heavy Duty Portable sound proof Room dividers – 3 panels/SET Desk frame: Quality Steel frame	9		
53	Sofa Set	AA101 C0		Dimension: 2 seater 1600W x 730D x 910H (1no.). Single Seater 1030W x 600D x 450H (2no.). Material Description: High density spring back foam +protective film. Sofa frame: High quality steel sofa rack	3		
54	Coffee Table	AA101 C0		Dimension: 1400Wx700Dx450H Material Description: Hardwood and varnish finish. Table frame: Solid wooden frame	3
