

NOTICE TO ALL SINU REGISTERED STUDENTS

As we embark on Semester 2 - 2021, students are advised to take the following notes with regards to the following ICT students' services;

Students Email

All registered students will have their unique email ID/account under this private domain name. Syntax for students email will be; studentID@sinustudents.edu.sb.

All students are encouraged to occasionally check their emails as other details and relevant information will be dispersed via the email platform. All students are encouraged to put this service to good use to share information and resources with their peer students and lecturers where applicable.

Please refer to a separate document titled '*Email Guide for SINU Students*' for steps on how to access your unique student email ID/account.

Students WiFi

WiFi service is made available for students. Each student will be issued with their unique WiFi voucher detail. These details will be emailed directly to your unique e-mail address mentioned above.

The Service Set Identifier (SSID) for students WiFi is 'Student WiFi'. We have WiFi coverage in the following physical locations;

- Kukum Campus (Library, FAFF, FBT, STHM, FNMHS)
- Panatina Campus (DFL Centre, Library, New Complex)
- Ranadi (Fisheries)

Please refer to the separate guide '*WiFi guide for SINU Students*' for instructions on how to access the Student WiFi service.

Student Moodle

To assist students, lecturers and administrators during the course of the study period, Moodle access will be supplied to all registered students.

Similar to WiFi access, once a student's registration is confirmed, Moodle access details will be emailed to your unique Student Email address.

Please refer to the separate guide '*Moodle Guide for SINU Students*' for details about accessing your Moodle account.

Should you have further questions regarding these services, please do not hesitate to consult our Information & Communication Technology (ICT) Department staffs.
