

WIFI GUIDE FOR SINU STUDENTS

How to access STUDENT WIFI?

1. Search for **STUDENT WIFI** signal  coverage.
2. **STUDENT WIFI** Access Point (AP) locations are as follows;
 -  For Kukum Campus; **FAFF, FBT, FNMHS, FST, LIBRARY, STHM**
 -  For Ranadi Campus (Marine); **FISHERIES**
 -  For Panatina Campus; **DFL, LIBRARY, NEW COMPLEX**
3. Click to connect to **STUDENT WIFI** signal icon. It should take you to a default open browser where you will be able to enter your vouchers. Student wifi vouchers will be emailed to your SINU student email account.

4. Common Error students face when trying to connect to the **STUDENT WIFI** are as follows;
 -  Browser not recognized (**i.e. out of date Chrome**)
 -  Computer/Lab-top not recognized (**i.e. windows 7**)
 -  Vouchers not recognized (**i.e. already used by someone**)
5. If above **ERRORS** occur, please report to ICT department for help.
