		Teaching Subject 2 – L6 content unit 5	22.5	
		EDU712 – Teaching Experience	45	
		Total credit points for Diploma of Teaching Secondary		

Student wishing to become a secondary teacher and applying to do either Diploma/Bachelor of Teaching Secondary will need to choose teaching subject 1 and 2 from the following subjects:

Subjects offered by the School of Humanities (see SOH)

Subject - English

Units offered

The following units are offered to secondary teacher trainees taking English as their teaching subject.

Year	Semester 1	Semester 2
1	LIT502: Introduction to Literature	LAN501: Introduction to linguistics
2	LAN612: Second Language Acquisition	LAN602: Writing and Grammar
	LIT611: South Pacific Literature	
3	LAN723: Society and Language	LIT701: Creative writing
	LAN724: Advanced Grammar	LAN703: Multilingualism

Subject - Social Science

Units offered

The following units are offered to secondary teacher trainees taking Social Sciences as their teaching subject.

Year	Semester 1	Semester 2
1	SSC501: Fundamentals to Teaching Social Science: An introduction.	SSC502: Theories and Key perspectives in social science
2	SSC601: Social Issues and Justice	HIS602: Peace and Conflicts
	SSC603: Special Topics in Social Sciences	SSC603: Special Topics in Social Sciences
3	SSC701: Political Economy of Rural Development	SSC702: Social Policy Development and Impacts
		SSC703: Directed Social Science Research

Subject - History

Units offered

The following units are offered to secondary teacher trainees taking History as their teaching subject.

Year	Semester 1	Semester 2
1	HIS501: Introduction to History	HIS502: Pacific pre-history
2	HIS601: Pacific History	HIS602: Church history
3	HIS701: Solomon Islands History	HIS702: World History
	HIS704: Pacific Migration	HIS703: Government and Politics

Subject - Geography

Units offered

The following units are offered to secondary teacher trainees taking Geography as their teaching subject.

Year	Semester 1	Semester 2
1	GEO501: Introduction to Geography	GEO501: Climatology
2	GEO601: Fundamentals of Geotectonics and Geomorphology	GEO602: Geography of Tourism
	GEO603:	GEO603 Fundamental of Hydrology and Oceanography
3	GEO701: Biogeography	GEO702: Natural Disaster Management
	GEO704: Statistical Methods in Geography	GEO703: Geographical Information system (GIS)

Subject - Physical Education

The following units are offered to secondary teacher trainees taking Physical Education as their teaching subject.

Year	Semester 1	Semester 2
1	PES501: Introduction to teaching secondary school Physical Education	PES502: Introduction to outdoor game 1 & athletics
2	PES601: Trends and Issues in Physical Education in Solomon Islands	PES602: Introduction to PE and & Sport pedagogy PES603:
3	PES701: Introduction to organizing tournaments and sports in Secondary schools	PES702: Outdoor Games PES703: Indoor Sports 2

Subject -Health Studies

The following units are offered to secondary teacher trainees taking Health studies as their teaching subject.

Year	Semester 1	Semester 2
1	HES501: Introduction to Health Education	HES502: Health promotion schools
2	HES601: Mind your mind-mental health HES603:	HES602: Common diseases in S.I.
3	HES701: Reproductive Health HES703: Direct Research in Health and counselling	HES702: Adolescent counselling HES703: Direct Research in Health and counselling

Subject -Creative Arts

Units offered

The following units are offered to secondary teacher trainees taking Creative Arts as their teaching subject.

Year	Semester 1	Semester 2
1	EAS501: Expressive Arts 1	EAS502: Solomon Islands Traditional Visual Arts
2	EAS601: Solomon Islands Traditional Music and dance	EAS602: Expressive Arts 2 - Reading and Playing Music

Subjects offered by the School of Education – TVET Department

Subject – Home Economics

The following units are offered to secondary teacher trainees taking Home Economics as their teaching subject.

Year	Semester 1	Semester 2
1	HEC501: Lifestyle, Diet and Disease	HES502: Textile studies and garment construction
2	HES602: Apparel design & flat pattern making HES603: Family & Home Environment	HES601: Food and Community nutrition
3	HES701: Food development HES703	HES702: Clothing management HES703: Food Management

Subject – Technology

The following units are offered to secondary teacher trainees taking Technology as their teaching subject.

Year	Semester 1	Semester 2
1	TEC501: Material Technology 1 - Wood	TEC502: Material 2: Metal Technology
2	TEC601: Photovoltaic system	TEC602: Technology Education
	PHY601: Electronics and Digital systems	
3	TEC701: Graphics	TEC702: New Product Development
		HES703: Building construction

Subjects offered by the School of Sciences (See SOS - FST)

- Biology
- Chemistry
- Computer Science
- Mathematics
- Physics

Subjects offered by the Faculty of Business and Tourisms (see FBT)

- Accounting
- Economics

Subjects offered by the Department of Agriculture (See FAFF)

- Agriculture

Student must enquire at each Faculty, School and Department for units offered each semester.

Inservice students

Student coming in as inservice student will be entering his or her programme as a second-year student but may be asked to do some year 1 units depending on his or her prior learning and qualification. See **Head of Department** (primary or ECE or secondary) for further information.

Certificate in Education (ALTP)

The Certificate in Education Adult Learners is an in-service competency-based programme. It is designed for people who teach adult learners, for example those teaching in Rural Training Centres, SICHE, the Police Academy and the Correctional Services. The programme takes up to 20 to 30 students who have a qualification and experience in one subject area. There are six core modules taught in blocks. The modules are:

1. EDU301 - The process of teaching and learning
2. EDU302 - The practice of teaching and learning
3. EDU303 - The principles of teaching and learning
4. EDU304 - Learning resources and their uses
5. EDU305 – Assessment
6. EDU306 - Course design and evaluation
