Unlock Your Leadership Potential with SINU's MBA Programme

Tailored for Busy Professionals

SINU MBA Programme offers unparalleled flexibility, accommodating your career, family, lifestyle, and relationships. Designed for general management, this programme equips business leaders and those in the public, SOE and development sectors to navigate a volatile world effectively.

Why Choose SINU's MBA Programme?

- Holistic Approach: Focuses on cross-functional skills development.
- Rigorous Curriculum: Encourages a blend of academic and professional growth.
- Global Leadership: Leverage work experiences for effective global leadership.
- Distinctive Features: Includes a mandatory dissertation component and stringent entry requirements.

Programme Highlights

- Duration: Two years (evenings and weekends etc)
- Structure: 14 units, including 2 electives and a dissertation
- Pathways: Opportunities for doctoral studies upon completion

Eligibility Criteria

- Academic Qualifications: Bachelor's Degree in any discipline with a minimum GPA of 2.00 from SINU or any globally recognized institution.
- Professional Experience: At least 2 years of significant and relevant work experience with decision-making authority.
- References: Two references from reputable individuals certifying the applicant's suitability.
- Personal Statement: A written personal statement (about 1,000 words) addressing:
 - Significant experiences or achievements.
 - Long-term objectives and expectations from the MBA programme.
 - Any other relevant information.
