NATIONAL ANTHEM

God save our Solomon Islands
From shore to shore
Blessed all our people and all our lands
With your protecting hands
joy, peace, progress and prosperity
That men should brothers be
make nations see
Our Solomon Islands,
Our Solomon Islands,
Our Nation Solomon Islands
Stands forevermore...

SINU ANTHEM

(Composer: James Tuita)

God bless Solomon Islands' National University
Raise it high up to the sky with our academic pride
Standing up to be our guide, in our educational strive
through its privilege and power
Awards to us confer

Chorus

Raise high, the banner of our university
Raise high, the standard of our learning to day
Hold high, the academic flame from sway
it's our highest hope, now and beyond

Raise up Solomon Island National University
Train up learners of our country to serve with mastery
Building up knowledge and skills, for our needed fields
taking up the role to bind
Our ethnic diversities

Chorus

Raise high, the banner of our University
Raise high, the standard of our learning to day
Hold high, the academic flame from sway
it's our highest hope, now and beyond, it's our highest hope, now and beyond.
